ABOUT

For approximately two hours, Tuk Madeira City Tours gives you the opportunity to visit other places outside Funchal.

One of these places is the Garajau-Cristo Rei Viewpoint.

Starting in Old Town, city of Funchal, you follow the São Gonçalo Street, one of the most beautiful streets of Funchal, with a stop in Pináculo Viewpoint, with an amazing view of the bay of Funchal.

Next, you arrive in Garajau, next to the city of Funchal. Here, you can appreciate the Cristo-Rei Viewpoint, with an excellent view over the bay of Funchal, the Natural Reserve of Garajau and the Atlantic Ocean.

The Cristo-Rei Viewpoint was given the name as a result of the existence of a “Christ the King” statue, which was erected to fulfill a promise made by Counselor Aires de Ornelas.

You can also ride in a cable car to the beach.

The tour continues then, back to Funchal through other road, the Boa Nova road, with breathtaking views over the city of Funchal.

The tour price is 37.50€ per person.
